We Honor

MR. RODNEY P. LACKEY

THE Staff is very honored and proud to dedicate this book to the man whose patience, learning and energy have made him an outstanding leader in scientific fields. His tireless efforts in helping every school organization, every boy and girl, and every staff member have earned him a place in the hearts of all. No problem is too small for consideration in his already crowded schedule.

They Lead Us

SUPERINTENDENT

DR. BALLARD BRADY

HAVING the desirable qualities of wisdom and foresight, Superintendent Ballard Brady handles successfully the many problems which present a daily challenge to the administration.

Regardless of the great amount of work that he must do, Mr. Brady always has the time to counsel those who seek his advice and has a smile for everyone he meets.

ASSISTANT SUPERINTENDENT

MR. LEWIS BLACK

THROUGH his patient understanding, wise judgment, and thoughtful encouragement, Mr. Black, as advisor and friend, has successfully guided many junior and senior high boys and girls through six happy and productive years of school life.

BOARD OF EDUCATION

Dr. Post; Mr. Moore, president; Mr. Easton; Mr. Brady, clerk; Mrs. Titus, vice-president; Mrs. Michener.

ADDDED to their already overcrowded agenda, the Board of Education's principal concern this year has been the progress of the building program. A new cafeteria, a new auditorium, and a new administrative office area are being constructed and should be ready for occupancy next fall.

The Class of '57

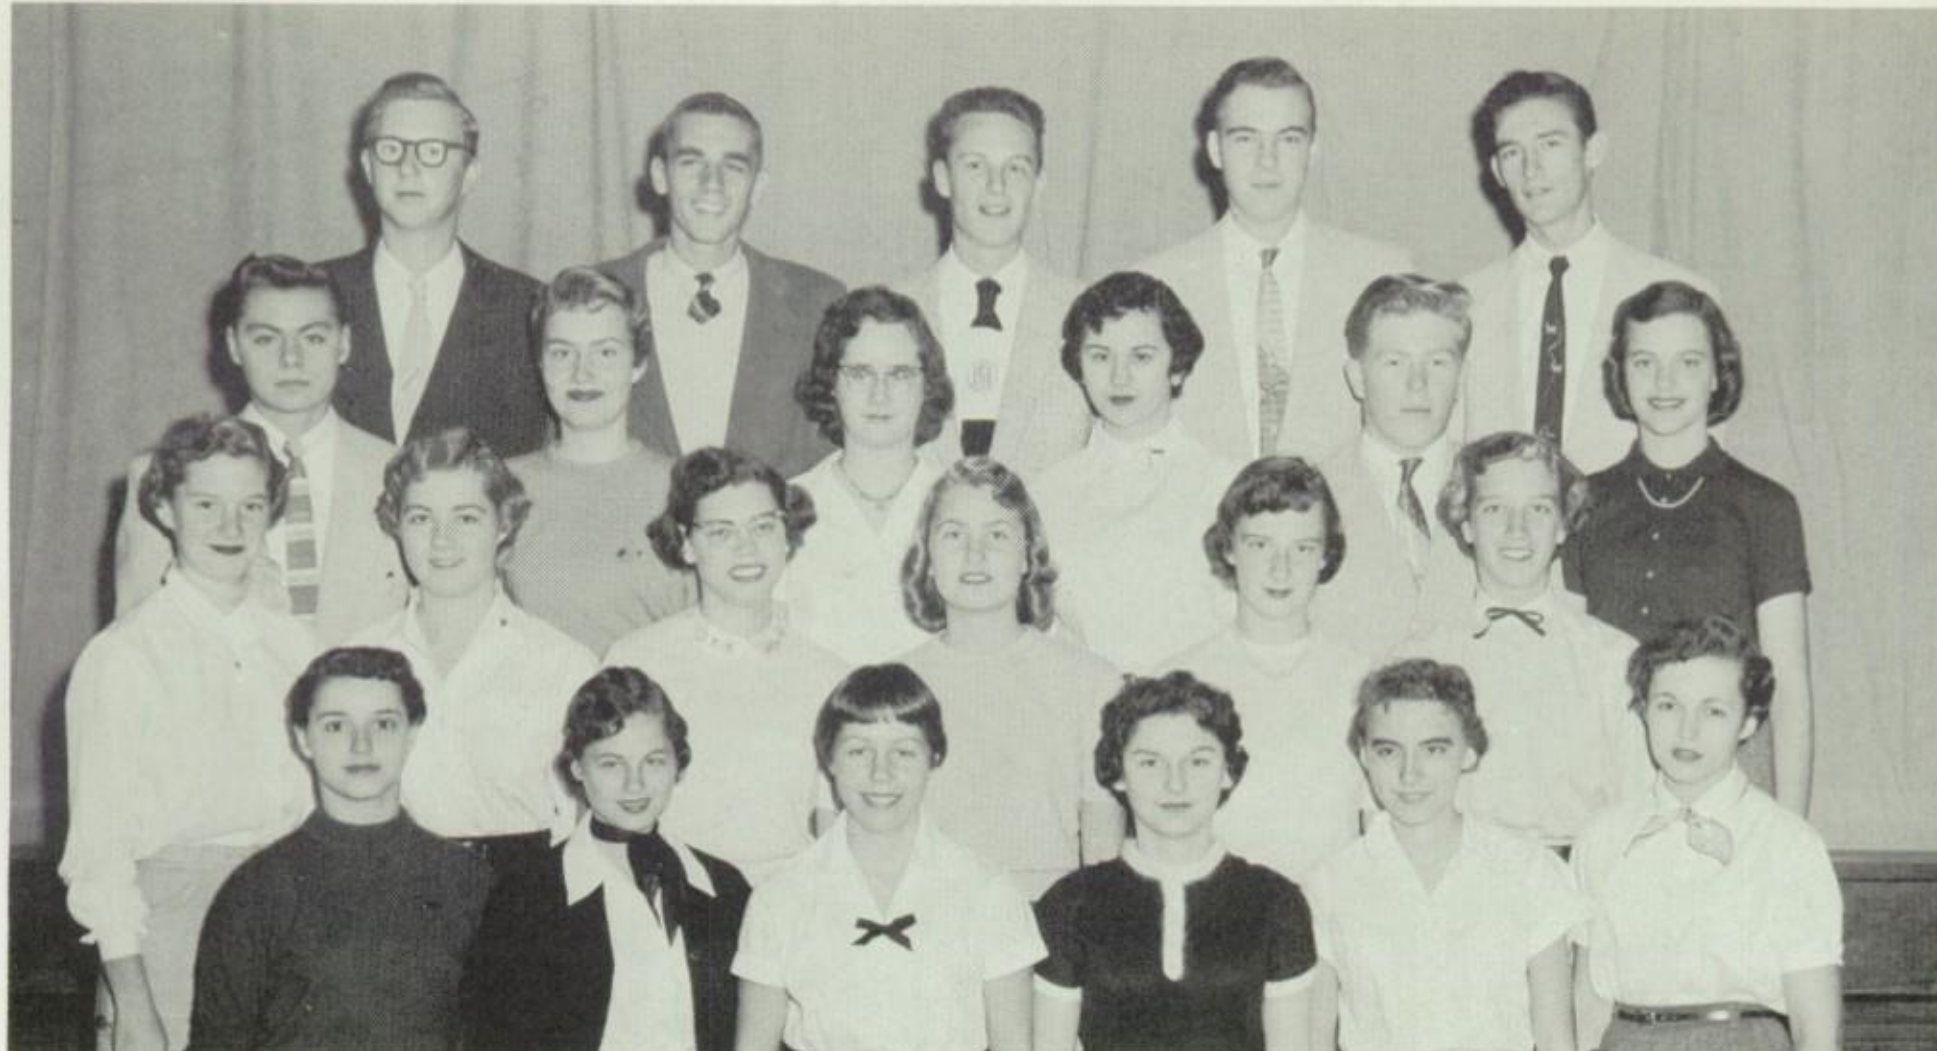

Class officers Bill Sayle, president; Chuck Huebner, vice-president; Lucinda Parks, secretary, and Betsy White, treasurer, laugh together as they make plans for their class mates.

FINDING themselves in the midst of a very busy year, the "jolly, jolly juniors" have worked hard. Their biggest project was to make money for the junior-senior prom. "Voo-Doo dolls," homecoming mums, gold rings, class plays, and a "twin twirl" were events of a year which the juniors will long remember.

FRESHMAN GIRLS' GLEE CLUB

UNDER the direction of Mrs. Carol West, new vocal music director, the 62 voice Orange High School Choir, wearing their new iridescent blue robes with white satin stoles, entertained many times during the year. Highlighting their many excellent performances was the presentation on two different occasions of the Cantata, *The Child Jesus*. The Candlelight Recessional helped to create the true feeling of Christmas among the members of the audience.

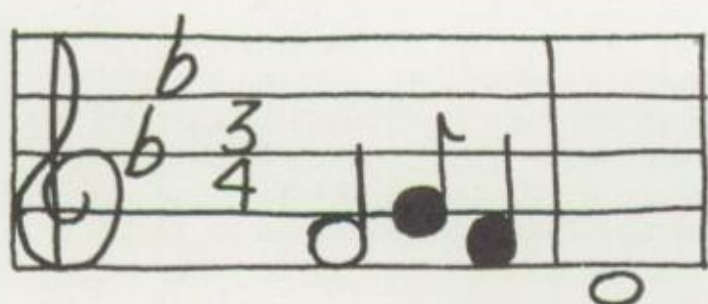

These same choir members, participating in the annual Somac Area Concert which is presented in the spring, receive experiences in the finest choral literature and enjoy the opportunity of singing with students from neighboring schools.

Whenever these Orange students have a moment to spare, whether it is before 8:50 a.m., during the lunch period, or after 3:45 p.m., they rush to Room 207 to practice that new song just once more. Mrs. West has made all students realize that "practice makes perfect."

And The Band

Aside from music, the band's biggest project this year was a year-round candy sale of the "world's finest chocolate" to finance the purchase of new band uniforms.

HAMPERED by bad weather, but still true to the band tradition, the 55 members of the Orange High Band and their director, Mr. John Kuczmariski, marched and did their precision drills at the football games for their many fans. Led by a pert and pretty head, Judy Vernon, and five other high-strutting majorettes, the band had one of its most successful seasons. Our twenty-girl drill team, the Marchettes, were again the icing on the cake. The charleston, mambo-moucha and other formations won the praise of all who saw these lovely girls perform.

Orange worked very closely with other schools' music departments this year. The biggest opportunity the band has ever had came when the band and marchettes journeyed to Detroit, Michigan, to march at the Western Reserve University-Wayne University football game.

In the early fall, the band took part in an all-school invitational band program at Baldwin Wallace College. The last time the band marched this year was at the end of November when the band, majorettes, and marchettes participated in the annual CLEVELAND PRESS Christmas Parade.

National Honor Society

LEADERSHIP: Mr. McBride, Advisor; Mr. Black, Principal; Bea Grant, Treasurer; Charles Elderkin.

Secretary; Vicky Beeman, Vice President; Cora Schultz, President; Miss Douglas, Advisor.

SCHOLARSHIP, Leadership, Service, Character! These are the four qualifications which all members of the Garfield Chapter of the National Honor Society must meet before their induction into the organization each spring. A limited percentage of each class makes up this outstanding group of which Miss Marian Douglas is the faculty advisor. The

first requirement, scholarship, must be above average in both grades and citizenship. Candidates, selected first on this basis, are then voted upon by the faculty. All members must maintain the high standards of the society in order to remain in the group.

Scholarship

THE foremost activity of the Honor Society is the computation of the honor roll each six weeks. Judy Lisy, Terryl Thomas, Patricia Lavarack, David Cummins, Bonnie Smith, and Barbara Harris figure the honors to be awarded by using a point system.

Character

ONE of the money-raising projects of the society this year was the making of orange and white pom-poms. Lynne Priesmeyer, Carl Cotman, Kay Temple, Judy Venning, and Dianne Scoville were well rewarded for all their pulling, tying, and cutting by arranging "the most colorful game, ever!"

Service

ASERVICE which the members of the club render every three years is that of writing, editing, and distributing handbooks. Here Nancy Schmohl, Judy Mowery, Lucinda Parks, Louise Podojil, Beverly Hudec, Betsy Porter, and Win Whittaker compare the final edition of the Orange handbook with those from other schools.

MEETING regularly every other week, the student council, under the guidance of Miss Viola Trimble, has tried to broaden its scope of service for the student body. Managing annual spring elections, supervising Homecoming Day festivities and the football queen elections, organizing a tax stamp drive, inaugurating a teacher-student committee, and worrying about other school problems occupied most of the council's time.

When the students asked for more recreational diversion during the lunch periods, a game room was opened and dancing organized in the first floor hall. Welcoming new students at an assembly during the first week of school made them feel more at home.

Mr. Young advises his editors...

THE latest scoops and news stories are reported to the Orange students each week through the school paper, The Highlights. Under the supervision of Mr. Melvin Young, the staff publishes each edition, meeting strict deadlines. Monday finds all staff members gathering and writing news stories. During the next two days the stories are typed by the commercial department, under the direction of Mr. Jerome Fitz. Wednesday night Cora and Dianne, co-editors, make up the pages and prepare the copy for the stylus editors. Final editions are delivered to homerooms early Friday morning.

During the absence of Mr. Young for several weeks, the staff carried through the whole production alone.

Every Friday morning the staff distributes the papers to the homerooms.

The Oran Reviews An Outstanding Year

Cora, Editor, and the Oran Staff play layouts.

PLANNING carefully to give a written and pictorial record of the major and minor curricular and extracurricular activities of Orange school life, the staff at last met the deadline and sent to press the 1956 yearbook, which they hope all students will enjoy. Art work, photography, copy writing, and editing took many after-school hours of hard work, but when the book was finally completed, every staff member agreed that the time spent and the effort expended had been worthwhile.

Clubs They Join

EACH office assistant gives up one period every day to help the teaching staff with their clerical work, with their typing or with any other tasks which the teachers want done. No credit is received by the girls for this assistance.

ONE of the new clubs, The Thespian Society, organized in 1954 under the sponsorship of Drama Coach Bruce Wilson, now boasts a membership of 16 students. The club members devote many hours of their time making the yearly, outstanding, dramatic productions successful.

PAINTING scenery, adjusting lights, building stage sets, and handling all technical details, involved in play production, are some of the many duties of a "stage crew" boy. However, being in the spotlight today, everyone decided to wear his "Sunday Best."

DIRECTED by Miss Miller, thirty-five students belong to a discussion group, The Council on World Affairs. This year the club was fortunate to have excellent speakers tell about conditions in France, Hawaii, and many other countries. The club sponsors, with the financial help of the P.T.A., a trip for one of its members to the U.N.

Serving is

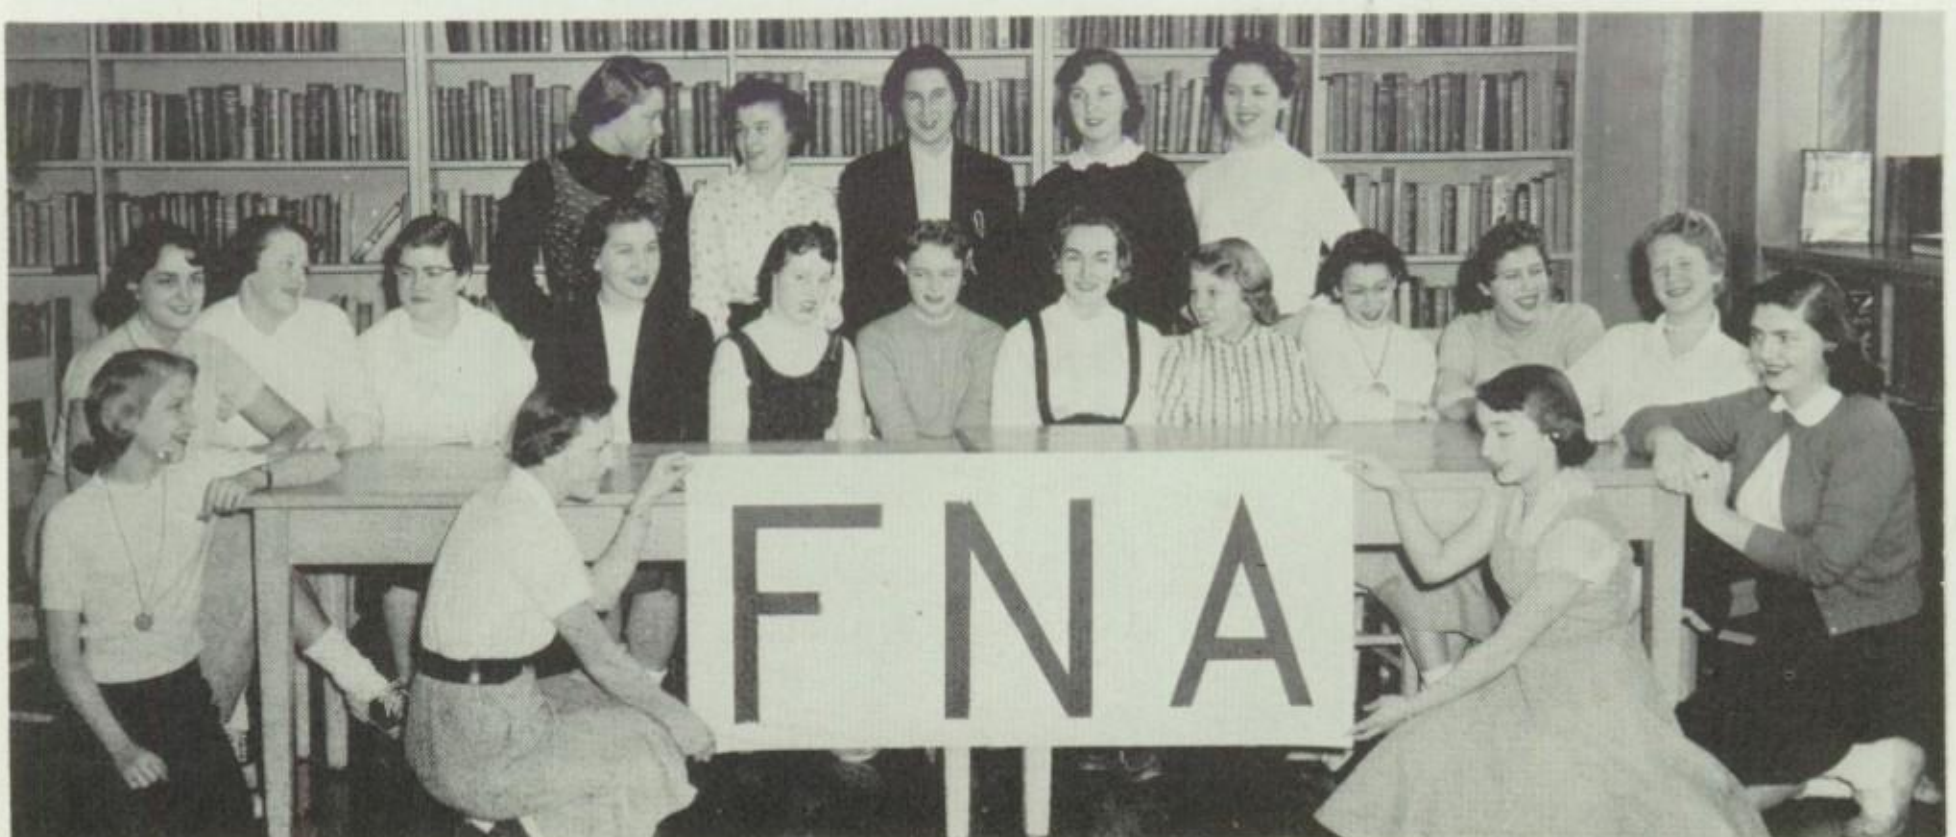

THROUGHOUT the world the name Red Cross is associated with service. Members of the Orange chapter spend their time trying to make life more pleasant for others less fortunate than they by sending baskets, filled with food and gifts, to the needy and service boxes to those overseas.

Directed by Miss Marilyn Smith, the Future Nurses of America is a new club at Orange. The purposes of the club are to interest students in personal and community health; to encourage them in finding out what nursing requires and offers; to help them decide wisely about professional or practical nursing as a career; and to train clinic attendants.

Clinic attendants are chosen by Miss Smith from FNA, on the basis of experience, ability, interest, and free time. Each girl spends one period a day in the clinic, patching up scrapes and bruises, taking temperatures, and arranging rides home for sick students.

Their Business

ONE of Orange school's finest assets is its modern library. To help keep it running smoothly and efficiently, students in grades seven through twelve volunteer one or more of their free periods each day to assist Miss Edith Miller and Mrs. Lora Salzman, the librarians.

F.T.A. - VIRGINIA TRENNER CHAPTER

ASSISTED by Mrs. Mary Valenti and Mr. Oliver Payne, 15 students, organized the first F.T.A. Club at Orange. This club seeks to recognize and encourage all students who are interested in the teaching profession. Meeting regularly every other week, these students have the opportunity to learn more about their chosen vocation and to set up ways in which they can be of assistance to the school personnel.

They Show Our
School In Action

"To you, Mr. Kirby."

As the Lights Dim,

"And That...is my mother!"

"Ah, dance, my leetle Rebishka, dance!"

THE Moss Hart & George Kaufman celebrated comedy You Can't Take It With You was acclaimed the best comedy ever presented at Orange School.

The house literally "came down" with the juniors' portrayal of the lovable Sycamore family, who at first seem mad, but soon you realize that if they are mad, the world is madder. In contrast to this delightful family are the unhappy Kirbys.

The plot shows how Tony Kirby finally converts his father to the happy madness of the Sycamores.

Since this comedy was the last play to be held in the old auditorium, the juniors worked hard to make it the biggest and best production ever.

"There's no business like Our show business!"

The Stage is Set!

"Stop it, Willy, Stop!"

"The slide is ready, doctor."

"My name is Sarat Carn..."

IN November the senior class presented the thrilling British drama, High Ground. The story takes place in a convent which is safely situated above the flooded low lands. A state car, transporting a condemned murderess, Sarat Carn, and her guards, is stranded for several days at the village refuge. During this time, the heroine of the story, Sister Mary Bonaventure, takes a personal interest in the girl and cleverly but quietly undertakes to prove the girl innocent of her brother's killing.

The story had touches of humor that brought laughter because of a busy, bustling villager, Martha, and moments of sadness and tears for the emotional helper, Willie. Adding to this unusual mixture of good and evil, was the Mother Superior of the convent, and the man who was the real murderer, Dr. Jeffreys.

This year, the play was presented under completely new conditions. Because there was no auditorium, the play was done "in the round" in the elementary gym. This proved to be not only highly acceptable, but also pleasing to the audience.

"Another Openin' Another Show!"

-Y-Teens Work for Others

UNDER the direction of the faculty sponsor, Miss Bettimae Jones, the Orange Y-Teens began a very successful year. In October the 72 girls began work on Orange High's first Christmas formal. Orange girls and their dates danced under silver stars and soft blue lights around a beautifully decorated Christmas tree. When the band played Goodnight, Ladies, everyone agreed it had been a wonderful evening.

After Christmas the girls began working for others, and many a dull hospital tray was brightened with handiwork of the Orange High Y-Teens.

Queen Peggy will long remember the 1955 Homecoming festivities.

Delicious canapes tempt the onlookers.

ORANGE tradition bowed to the forces of nature at the 1955 Homecoming Day activities. Waiting anxiously for last minute instructions "to bring or not to bring," the class chairman finally brought their floats to the football field, arriving just as a torrential downpour practically demolished them. Weather conditions postponed the crowning of the queen until the Homecoming Dance on Saturday evening. As ten o'clock drew near, the dancing ceased, and everyone's attention turned toward the door as the queen and her attendants, and their escorts entered the ball room. When co-captains, Bob and John, crowned Peggy Swartz homecoming queen, everyone was delighted.

As the band played Peg O'My Heart, the grand march formed.

The Lettermen Take Over

EACH year, in somewhat comical inductions, new members are admitted to the Orange Varsity "O." A boy can qualify for the organization by earning a letter in any varsity sport. With guidance from their sponsor, Coach Robert Greenwood, members are expected to promote good sportsmanship by setting an example for the student body. The club earns money by holding annual paper drives. Traditionally they give Christmas baskets to needy families in the surrounding area.

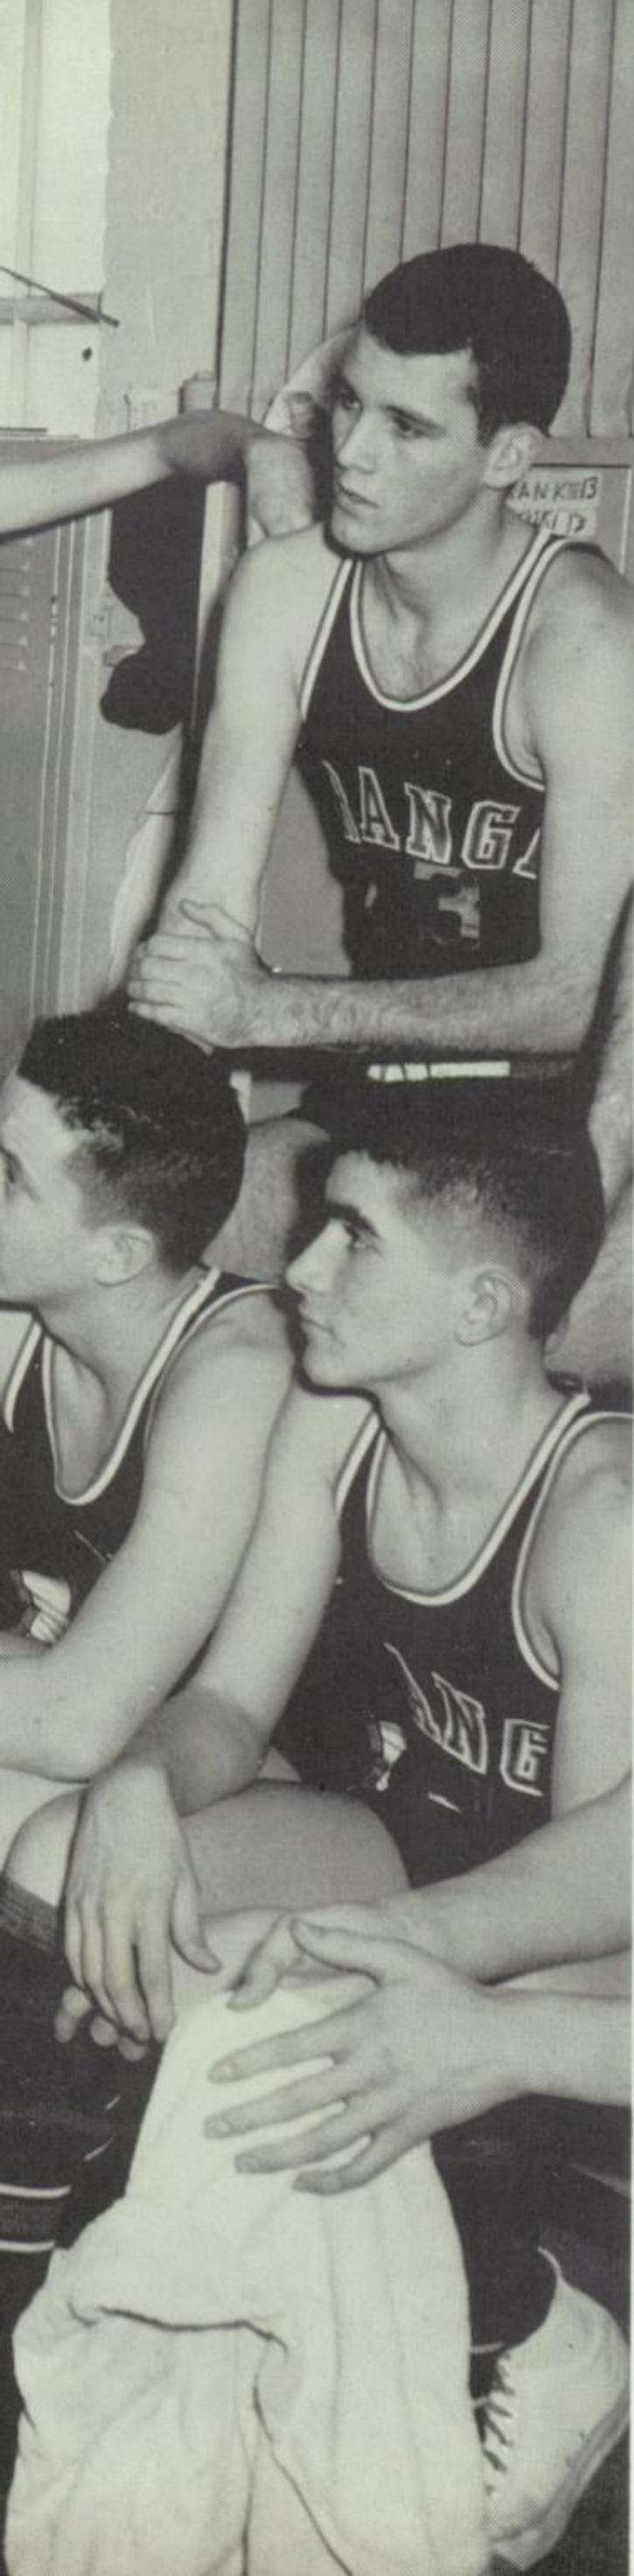

THE Athletic Board sets up the sports program, confirms all awards, and approves athletic expenditures. These men are members of the athletic board. Sitting: Messrs. Payne, North, Edwards, Black, Gilcrist, and Csutoros; Standing: Messrs. Sulzman, Sutcliffe, and Greenwood.

Our Lions Carry The Ball

END, CENTER, TACKLE, ALL.

BY hitting 'em hard and keeping 'em down, the Lions finished the 1955 football season with a record of four wins, three losses, and one tie.

Maple Heights was responsible for our first defeat of the season. The next week's fray with Brush was a close game with the first half ending 0-0. Brush's end, Carl Baner, scored three T.D.'s in the second half, while Jerry Gnabah scored the only T.D. for Orange late in the game, with a final result of a 6-27 defeat.

The following week the Orange eleven, recovering a Brooklyn fumble, tallied on the opening kickoff. In the second quarter the Brooklyn team also scored, ending the game with a 6-6 deadlock. Coach North's Lions won the next two battles, the first of them on Homecoming Day, midst torrents of rain and touchdowns. Against North Royalton, two T.D.'s were contributed each by Jerry Gnabah and Ken Vlasek, and one each by Joe Baxa and Paul Bailey. Their next encounter found Jerry Gnabah scoring three touchdowns, defeating our neighboring Solon, 18-0. The 7-14 loss to Mayfield knocked Orange out of any possible share in the Cuyahoga County League Championship. Jerry Gnabah scored Orange's only marker to climax a 75 yard gain in which he carried the ball 15 out of 18 times.

Behind the hard hitting and running of Joe Baxa and Jerry Gnabah, the Lions terminated their season with a spectacular 32-0 triumph over their rival, Chagrin Falls.

JERRY GNABAH has been selected as one of the outstanding football players at Orange in recent years. Some of the many honors heaped upon him are listed below. 1. Leading ground gainer of the year with over 900 yards gained. 2. Fifth leading scorer in the district. 3. Leading scorer in the county with 99 points. 4. Selected for the News Dream Team and the Press All Star Team. 5. Made both the News and the Press All Scholastic. 6. Made first string in the county.

COME ON FELLOWS, GET THAT BALL.

Our Boys Came Through Again

Coach Greenwood, Conrad, Sayle, Croucher, Shields, Phipps, Gnabah, Elderkin, Sulzman, Johnston, Coach Seitz.

A CLEVER, fast, hard-fighting Orange High quintet came through again, as they have in the past two years, to capture the undisputed East County Championship. At the close of the season, Coach Greenwood's Lions were rated as the thirteenth best class "A" team in Ohio.

In the traditional opening game, the Lions successfully launched the 1955-56 season by edging Cuyahoga Heights on their home floor 50-46. League play also started with an 80-57 victory over Neighboring Solon. Next the mighty Orange team took five in a row, defeating Brecksville, University School, Maple Heights, Euclid, and the Alumni.

One defeat of the season came at the hands of their arch rival Chagrin Falls 70-88, but the following week the Lions bounced back with a record breaking 94-50 triumph over Mayfield. In the next two league games the Orange men again came out on top. The Lutheran win was truly a team victory with Oren Phipps, Bill Sayle, and Roy Shields each scoring twenty points or more.

The 67-73 loss to Canton Timken (ranked second in the state) was nothing to be ashamed of. The Lions, trailing midway by eighteen points, even though they lost the game, came through with some

spectacular play during the second half. Before a capacity crowd the following week, the Lions got their revenge by defeating the Chagrin Tigers 60-51. The next night Orange downed Cuyahoga Falls 68-60.

From the last league game with Mayfield Heights three facts will go down in the records at Orange High. The East County Championship came to Orange for the 3rd. time. Oren Phipps broke an individual scoring record set last year by Ungvary's 34, by scoring 37 points. The 99-49 victory over Mayfield broke the team's scoring record set earlier this season.

The 1956 squad compiled one of the best records ever made by an Orange basketball team.

The team play, demonstrated by these boys combined with the brilliant coaching of Bob Greenwood and Ken Seitz, spelled CHAMPIONSHIP once again for Orange High.

In the past two years Orange has competed in the state district tournaments at Kent State University. This year the team hopes to better that record and play in the Cleveland Arena. Coach Greenwood thinks, and the fans agree, that the 1956 Orange team has the finest balance of any team that he has ever coached. Their superb defensive play has demoralized many opposing teams.

In The Final Stretch

GOT IT, DAVE?

As the thin clads started off another season, Coach North's boys showed themselves to be in excellent condition. After many weeks of practice, the cinder men won honors for themselves and for their school.

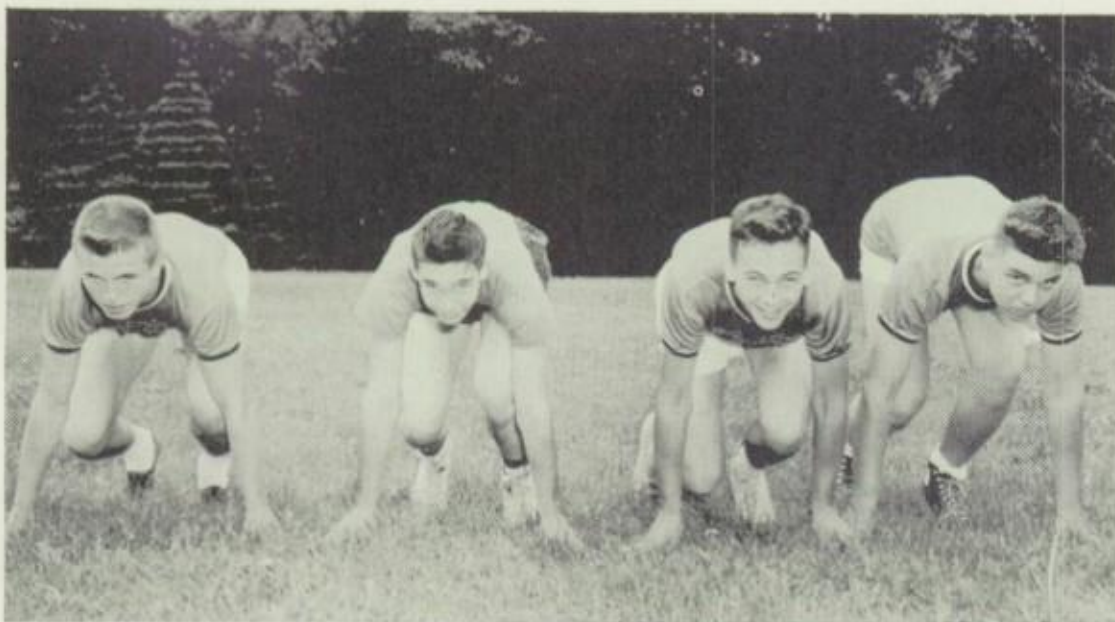

Rog Zenisek won first place in the shot put and in the high jump at the District Meet. At the State Track Meet, by winning fifth place in the high jump, Rog became the first boy from Orange to win recognition in a state meet.

At the annual Orange Relays, Hino, Venning, and Gnabah took first place. Although it rained throughout many of the meets, the track boys from Orange still came through.

Eleven lettermen from last year's team will return again this year. Combining their past experiences with the enthusiasm of the new men coming out, the track team should be able to strengthen their standing in the county, in the district, and in the state.

As each sport is completed during the year, it becomes more and more apparent that most girls at Orange are intensely interested in their physical education program. Soccer, hockey, tennis, bowling, volleyball, and basketball are only a few of the games in which the girls excel. Although competition is keen, the girls are good sports, and all agree that they have fun when gym class is in session.

Playdays, scheduled after school and on Saturdays, offer many girls the chance to show their athletic ability, and to cultivate and maintain friendship with girls from other schools.

Miss Smith is the sponsor of the G.A.L.S. Club. Members assist in conducting gym classes, approve awards, referee games, and set up inter-school play days.
